

**30**  
Km/h  
8AM - 5PM  
SCHOOL DAYS

Welcome back everyone, we hope all of you have had a wonderful summer and are ready for an exciting new year at Maple Grove Elementary. The Maple Grove Traffic Safety Committee would like to start the new school year off with important safety reminders to follow through the year to help with the safe drop-off and pick-up of our students in our traffic congested neighbourhood.

# Maple Grove Elementary Parent Traffic Safety Do's and Do Not's

Do use the newly identified drop-off and pick-up zone on Cypress - pull up as far into the pick-up/drop-off zone as you can to allow other cars into the area. If you are picking-up and your child is not ready - please drive around the block and re-enter the zone.

Do slow down and respect the 30 km/h school and playground zones. Near the school the speed limit is effect from 8:00am through 5:00pm on school days and near a playground from dawn to dusk everyday.

Do encourage your child to walk to school, especially if you live close-by.

Do ease congestion by dropping off your child in areas away from the school, such as on Angus between 47th and 45th - there are pedestrian crosswalks all around the school to facilitate safe arrival, especially the safety patrolled crosswalk at 47th and Cypress.

Do scan between parked cars and other danger zones where children may be playing or arriving late and darting into the street without looking for traffic.

Do watch out for school crossing guards.

Do avoid distractions while driving - finish your hands-free call before entering the school zone.

Do leave your home earlier to avoid the morning rush to school. The playground is supervised from 8:40 on.

Do not stop in the "No Stopping" zones around the school - for any reason, In particular the area in front the school on Cypress between the two driveways.

Do not J-walk with your child. Please cross at the corner or use the marked crosswalks.

Do not park in the "No Parking" zones - for any duration.

Do not drive into the Staff Parking lot.

Do not pass other vehicles in school or playground zones

Do not leave your car idling when parked

Do not honk your horn to get the attention of your child when you pick-up - please respect the residents around the school.

Do not double-park or park on the side of the street to pick-up or drop-off.

Do not make U-turns or 3-point U-turns using driveways around the school. This is dangerous and illegal.

Do not park in lanes or block residential driveways.

Do not stop in the middle of the road to pick-up or drop-off your child.
