

Grade 8, Sept 2017

PROGRAMS

All 18 secondary schools in Vancouver offer challenging and comprehensive programs. Many schools have developed their own school-based enrichment programs for a wide range of student interests and abilities. In addition to the neighbourhood school, District programs also offer a set of enrichment programs to meet the needs of students.

To apply for most District programs, students must complete the **District Cognitive Skills test on Nov. 24th, 2016.**

Important Dates

REGISTER ONLINE for the test..... Nov. 5 to Nov. 13, 2016

Test Date Nov. 24 at 1:00 p.m. 2016

Application to Programs Deadline.... Dec. 15, 2016 by 3 p.m.

BRITANNIA HOCKEY ACADEMY blends regular secondary school coursework, graduation programs and field studies with a licensed **Hockey Canada Skills Academy** (HCSA). Students receive on-ice training three times per week from September to June.

The BHA instructors are professional Vancouver School Board (VSB) physical education teachers who are trained and certified by Hockey Canada. In addition, a number of specialized certified guest instructors and instructor's assistants will be directly involved in the development of BHA participants.

No academic test required.
Info Night: Nov. 29

BRITANNIA VENTURE PROGRAM is an academically focused program in grades 8 to 10 that seeks to build excellence in critical thinking, communication and presentation, along with a strong sense of responsibility to self and community. The program is designed primarily to prepare students for future study in the **International Baccalaureate Diploma Program** offered at Britannia in grades 11 and 12.

Test required. Register online in Nov.
Info Night: Nov. 8

BYNG ARTS is an outstanding program designed for students who wish to direct their energy and passion towards the **fine arts**, work within a community of students who share their interests, and maintain strong academic achievement. As a comprehensive Grade 8 to 12 program, Byng Arts operates as a school within a school at Lord Byng Secondary in Vancouver. We promote academic and artistic excellence through curricular and extra-curricular activities in visual arts, literary arts, orchestral strings, concert band, choir, media arts and drama.

Test required. Register online in Nov.
Info Night: Oct. 19

DAVID THOMPSON ODYSSEY PROGRAM offers opportunities for **acceleration in math and science and enrichment in English, social studies, and modern languages.**

Odyssey provides a broad variety of extra-curricular opportunities through community involvement, athletics, and clubs. Students participate in local and international field studies which may include the annual exchange with our sister school in Yokohama, Japan. Through the broad range of Advanced Placement courses (including the AP International Diploma, a globally recognized award for students interested in international studies), students may also graduate high school with first year university credits.

*Students may apply for entry in grades 9-12 space permitting.

Test required. Register online in Nov.
Info Night: Oct. 12

GLADSTONE MINI is an accelerated program, in which learners **earn credit for grades 8, 9, and 10 in two school years.** The program emphasizes high academic achievement, creative and original thinking, independence and initiative, and responsibility and leadership. Successful applicants are self-motivated, able to work co-operatively and value thinking for its own sake.

**Test required. Register online in Nov.
Info Night: Oct. 26**

HAMBER CHALLENGE PROGRAM has courses in English, social studies, science and/or math. The program is ideal for students who are academically accomplished and motivated to work rapidly and in depth in a traditional classroom setting. In addition, **The Hamber Studio** is the perfect setting for students who find a traditional classroom confining and crave the freedom to influence the content and pace of their own learning and to nurture their creativity and passions.

**Test required. Register online in Nov.
Info Night: Oct. 5**

IDEAL MINI administered by Churchill Secondary, in a unique self-contained campus, offers a complete 8-12 program. We feature a safe environment for academically motivated and creative students who feel they would **flourish in a smaller setting.** Ideal fosters an active tradition of student community involvement, social justice and academic excellence.

Suitable students for our program are those who are academically capable (minimum B average), community-minded, leadership-oriented, enthusiastic about learning and can work cooperatively with others.

**Test required. Register online in Nov.
Info Night: Nov. 2**

JOHN OLIVER DIGITAL IMMERSION is a program that promotes strong, self-directed and motivated lifelong learners who are able to maximize **a technology enhanced** learning environment. There will be experiential and practical hands on learning through extended field studies related to core subjects, leadership and **outdoor education** as well as math acceleration and enrichment in core subjects.

**Test required. Register online in Nov.
Info Night: Oct. 24**

KILLARNEY MINI is a grade 8 - 10 program that focuses on **project based learning, outdoor education and enriched cross curricular study** that challenges students to innovate and excel. Our goal is to provide an environment where academically strong students become well rounded learners who have a passion for BC's natural wilderness and a drive to ask the big questions that lead to deeper understanding.

Our courses include Science, Social Studies, English as well as our project based learning course "Project Innovation" and can include accelerated honours mathematics.

**Test required. Register online in Nov.
Info Night: Oct. 4**

KING GEORGE TECH IMMERSION is for motivated and creative students entering Grade 8. This challenging program offers both **academic and technology enrichment in the core subjects of English, Mathematics, Science and Social Studies.** Students entering this program will enjoy academic challenges with opportunities for creative problem solving, critical thinking, and teamwork focusing on the use of the iPad.

**Test required. Register online in Nov.
Info Night: Oct. 6th**

MAGEE SPARTS offers an educational program to students participating in **high performance athletics** at the provincial, national or international levels, and to students performing in an **area of the arts** at an extremely high level of excellence. Eligible students must possess a B average in their academics while also maintaining a rigorous 25 hour a week training schedule in their specific sport or art. Sparts students are at Magee for half a day taking only academic courses, and receive Fine Art or PE credit for their training outside of school.

**Test not required.
Info Night: Oct. 25**

POINT GREY MINI is a comprehensive, 8-12, academic, enriched programme which values **community, leadership, and service.** Successful students are self-motivated, academically able, and have a high degree of self-discipline. Programme components include cross-grade courses and activities, cultural outreach, and outdoor education.

**Test required. Register online in Nov.
Info Night: Oct. 13**

PRINCE OF WALES MINI is a district enrichment program established in 1973 to meet the needs of highly capable, motivated students. Our school seeks students who are academically capable, self-motivated, leadership-oriented and enthusiastic. We encourage students to develop as well-rounded individuals – to find an **appropriate balance of academic, athletic, artistic and social pursuits.**

**Test required. Register online in Nov.
Info Night: Oct. 18**

VAN TECH SUMMIT PROGRAM is an accelerated **science & math program** for the gifted learner with an additional emphasis on social justice, community involvement and leadership.

Successful students will have a strong background in science and math, good organizational capabilities, be task oriented, and be willing to take on leadership both inside and outside the school community.

Test required. Register online in Nov. Info Night: Oct. 27

TEMPLETON MINI is a grade 8 to 12 **enrichment program** for students who have demonstrated above average academic achievement and whose curiosity and motivation lead them to seek a challenging and enriching school setting.

At Templeton Mini we strive to create a program that promotes critical thinking through problem solving, project-based learning, and cross-curricular activities. Participation in community service and outdoor education leads students in the Mini School to graduate as engaged, thoughtful, and productive members of society.

Test required. Register online in Nov. Info Night: Oct. 25

VAN TECH FLEX HUMANITIES is a vibrant, continually evolving, enriched **liberal arts program**, structured on the basis of student self-directed learning.

Critical thinkers, who thrive in active, autonomous, cooperative groups, have a passion for philosophical and historical thinking, and who are comfortable in a relatively unstructured learning environment, will excel in Flex Humanities.

Students explore a unique, sequential blend of Philosophy, Literature, Social Justice, History, Geography, Political Science, Fine Arts, Film Studies, and Spanish from grades 8 to 10.

Test required. Register online in Nov. Info Night: Nov. 1

WINDERMERE LEADERSHIP students are part of a community support network that prioritizes **social responsibility, environmental stewardship, and community engagement**. Throughout the program, students fully participate in a variety of school, community, and outdoor education activities that provide them with a diverse range of experiences. Our inclusive approach and ability to engage the community have made our classroom a dynamic place for learning while concurrently providing opportunities for students to get involved in many vital issues.

Test not required. Info Night: Nov. 3

TUPPER MINI is a five-year district program that is designed to meet the needs of **academically advanced** and motivated students. Tupper Mini includes English, socials, math, science and may include French.

This program also has a Mini Council (two students per grade) where opportunities for networking, team building and problem solving are planned under the supervision of the Mini School Coordinator. Field trips, debates, assemblies, event planning, live performances, and an annual mentorship conference are some of the many enrichment activities offered throughout the five years.

Test required. Register online in Nov. Info Night: Oct. 17

School-Based Non-District Programs

School Based programs are developed at the school level and are offered to students district wide **only if space is available.**

MAGEE LEADERS program fosters the responsibilities of citizenship and individual potential to **effect positive change in our society** by encouraging students to act on their convictions and to exercise sound judgment in doing so. The Leaders' timetable of enriched courses also includes classes outside of the cohort, cultivating a greater sense of connection with our entire Magee community.

Note: This is not a District Program.
Info Night Oct. 25

SYNERGY AT CHURCHILL is for students who are gifted, talented, and capable of going **beyond the standard curriculum in scope and depth.** Synergy students stay together for English, Socials, Applied Skills, and Science. Synergy is designed to meet the learning needs of students who have been in Elementary MACC programs, or Gifted pull-outs. Bright curious creative thinkers who have leadership potential are candidates for Synergy.

Note: This is not a District Program.
Info Night Oct. 18

STEM JR. PROGRAM AT TEMPLETON

is a project based program, **integrating Science, Technology, Engineering, and Mathematics.** The program promotes learning through real-world applications. STEM students will gain hands-on experience with woodworking, drafting, mechanics, electronics, and robotics.

Note: This is not a District Program.

Check with your local secondary school for up to date information on school based programs.

The **UNIVERSITY TRANSITION PROGRAM** is a two year Provincial Resource Program (1995) that offers an annual cohort of 20-25 BC academically gifted adolescents, typically ages 13 and 14 and from diverse BC School Districts, the opportunity to engage in rigorous and intensive preparation for **early entrance to UBC** and successful studies thereafter. Focused on global citizenship and environmental stewardship, students build a strong community of care and develop effective strategies for individual and collaborative learning. Students identify aptitudes, interests, passions and abilities related to career pathways they pursue while achieving the BC Dogwood and entrance to UBC.

Test required. Register online in Nov.
Info Night: Oct. 3 and Nov. 28

French Immersion and Mandarin Bilingual

FRENCH IMMERSION PROGRAMS

(Grade 8-12) are at Kitsilano, Churchill and Van Tech.

The secondary component of the French Immersion program provides students with the opportunity to continue their studies and the development of higher level thinking and verbal skills in their second language.

Students must have completed the elementary French Immersion program (or its equivalent if transferring from another district, province or country).

www.vsb.bc.ca/programs/french-language-programs

MANDARIN BILINGUAL PROGRAM

is offered at Eric Hamber for those who have completed the Binlingual Program at Jamieson Elementary.

Students take two Mandarin Language courses in Grade 8.
