

Maple Grove Elementary

Library Learning Commons

Hey Maple Grove!

We will be having a **Virtual Book Fair by Scholastic** on **September 20, 2021 - September 24, 2021**. We missed our Book Fair last year and are looking forward to a different way this year of putting books into the hands of our students that they can call their own. This is also an important fund raiser for the Library so we can purchase even more wonderful books and resources for our students.

The link below will not be active till the **20th of September** and will be open all day giving you lots of time to browse and, hopefully, purchase. It will close on the **24th**.

In the meantime, the link will show you some of the books that will be available but there are many, many more books for you to look at from the 20th - the 24th. You can search by title, author or different categories. And there are some boutique items too!

The Books will be delivered to the school in 3-5 business days and we will arrange delivery to your child. Please have the order confirmation emailed to you to make it easy for us. You may pay by credit card or visa debit card. Any questions please email ltornroos@vsb.bc.ca or sjadams@vsb.bc.ca . Thanks to all for your support!
